Vanity Unit with storage locker

Mirror

Jabsco Marine Toilet

Aft Cabin to Port

Large double berth

Hanging locker

Full standing head room in dressing area

Remarks :

The Hunter Legend 28 packs in a lot in to 28 feet! A cracking family cruiser that sleeps 6 in 2 cabins. Bliss is a very clean cut tidy vessel and has been well maintained by her current owners. Her Standing Rigging and Guard Rails replaced in 2014. Also the engine was overhauled in 2014 and has been annually serviced since. Light and airy down below coupled with ease of sail handling there is a lot to like about this boat. At 28 ft she keeps berthing fees down whilst offering a great sailing and living on board experience for a family or couple.
