Remarks :

A renowned build the LM28 is a trusted Danish built motor cruiser offering very comfortable sailing and living onboard. Starfinder is an exceptionally well maintained vessel with multiple upgrades in her present ownership. Beta 25 engine new in 2015 with 373 hours. Upgraded electronic navigation. Heating and hot and cold water systems. This bilge keeler is ideal for coastal cruising and longer passages. What ever the weather you are protected from the elements. Look sharp! LM28's in this condition will sail away quickly.
