## Remarks :

Rare to the UK market. A beautifully maintained Beneteau Antares 30 Flybridge motor cruiser. An excellent all weather family cruising boat, with functional, airy and practical living space. Complete spacious flybridge with helming position, seating & table which converts to a sundeck. The wheelhouse is large and bright, offering panoramic views underway. Anne Doody benefits from the preferred Volvo D6 370 HP engine, with bow & stern thrusters enabling stress free marina berthing. Look sharp..... this is excellent example of a Flybridge Cruiser that will fly off the shelf!
