Remarks:

From the quality builders Wesrtely, with a design by Laurant Giles, the GK24 is a popular vessel amongst the ameteur racing fleet. A speedy race/cruiser which during 2021 had a healthy wad of cash spent on her fundamental seaworthyness. New Baby blake and seacoks. New Hatch. New Automatic bilge pump. Full engine service, new engine stop cable, and the fuel tank cleand to mention a few. Currntly lying afloat in Neyland Marina. Phaon will do up very nicely with a little TLC. The berth is transferable to new owner.
