- **Heating:** Yes

Finesse 24

Broker Remarks

The Finesse 24 is a proper quality build by A.F. Platt from his Essex yard. It's a 24ft vessel with big ships feel, packing a lot of onboard accommodation, plus spacious cockpit. This earlier one is constructed with mahogany clinker plank copper riveted to Canadian Rock Elm frames. She is classic in looks. Roomy and comfortable living down below she offers traditional sailing with full modern navigation systems. Seldom to market, they change hands infrequently. They attract fierce owner loyalty. Erika is in great all-round condition. She awaits her new custodian.
