Remarks :

The Seaward 23 is renowned for its seakeeping abilities and quality of build. The large deep cockpit, open backed wheelhouse, with compact galley, heads and convertible saloon make this an ideal family cruiser and weekender. Chelsea Rose was refitted with twin Sole Diesel 60HP engines in 2007. Her maintenance and service records are substantial and detailed. Recent upgrades include Lewmar electric windlass and Garmin chart plotter. She is fully and professionally serviced, with all annual maintenance completed October 2022. Rare to market. The Marina Berth is transferable into new ownership.
