Remarks :

'Vibrant' is a lovely example of a Sadler 32 - offering ample space for family cruising at a low price. She has been lovingly cruised by her current owners, who are only selling her to upgrade to a larger yacht. She is in good condition and has been fully serviced ready for the new owner to sail her away. She offers fantastic value for money, and a viewing is highly recommended. Currently ashore and ready to view in Milford Haven, Pembrokeshire.
