Bow Spare Room:

Wood Lined
Empty

Engine Room:

Engine
Control Room
Tanks
Electronics

Remarks :

This is a rare opportunity to purchase an ex Port of Milford Haven Pilot Boat. Considered by many the finest design of Pilot Boat ever used on the Milford Haven waterway, she was decommissioned in 2005 and purchased to be used as a commercial dive platform. She

received coding certification (expired 5 years ago) after having thousands of pounds spent on bringing her up to spec for diving. Internally she has a basic fitout, an excellent blank canvas for a very interesting live aboard or long distance cruising boat. Her Gardener 8LB has been fully serviced, and cruises her at 8 knots (10 Knot top end). She is an exceptional sea boat, and will look after you in any weather. Seen on YouTube in a 'Yorkie' advert - see video button. Lay afloat in Milford Haven and ready for viewing.
