Vast cockpit seating, comprising of both seating and a sunbed. This area could be used to sleep two people if required. Steps down to the cabin, here we find a forward V berth & table which makes into a Double bed. Galley with Sink, Hob and Fridge to the Port side, and Heads with Sea toilet and sink to the Starboard side.

A small berth is under the cockpit sole, this sleeps one (or two, very cozy).

Lots of storage around the cabin and the windows let in a lot of light.
