## Remarks :

Exodus is a classic Foxhound 24, perfect for a first-time sailboat for single handed or family sailing.

Her fin keel offers good performance, and the Tohatsu 9.8hp 2 Stroke Outboard engine will push her along nicely when there is a lack of wind!

Internally she offers a good layout for a 24ft boat. A sizable saloon and galley area leads to forward heads and cabin. Plenty of storage space, and a 240V shore power system will keep you comfortable when cruising or in the marina.

A lot of boat for the money, she is currently ashore and available for full inspection.
