Remarks :

You don't see these in the UK very often. 'Nessie B' is a Sea Swirl Sea Striper 2100 Walkaround, with a cuddy cabin and Volvo Penta 4.3Gi V6 inboard engine.

Coupled to her Volvo Penta DP SM she makes a very spritely fast fisher, which nicely doubles up to a fun family boat for days on the beach, pulling toys or just on anchor!

Maintained well and dry-stack stored she is ready for a summer of fun. A small cabin gives you shelter from the rain, all important storage or a cozy weekend berth.

Her aft cockpit is a generous size seating 6 with ease.

All in all she is a well thought out, high quality boat waiting to give hours of fun to her new owner.

Viewing is available by appointment (currently on dry-stack) by calling Network Yacht Brokers Milford Haven on 01646 278270.
