Remarks :

'Sea Gem' is a lovely example of the Modern Classic Nicholson 35.
Possibly one of the finest blue water cruisers in her class, the Ramond Wall design is guaranteed to keep going when all other yachts are turning for home. Couple this with a strong build quality, deep keel and powerful rig make for a fine sea boat.

Sea Gem has been lovingly cared for and cruised by her current owners. She has a good inventory which includes monitor self-steering, AIS, and her own cradle for storage ashore.

Viewing is highly recommended, she is currently laying with us at Network Yacht Brokers Milford Haven Pembrokeshire. Call us today on 01646 278270 to further information.
