Remarks :

'Rosetta' is a classic Westerly 33 Ketch in need of a loving owner to complete her minor restoration. Much loved, and only for sale due to upgrade, Rosetta will make a fine cruising boat capable of blue water cruising with some additions.

Her current owners have swapped her ageing through hull fittings for modern composite alternatives. Her toilet has been replaced, and galley partly refurbished. A new opening side window has been fitted in the saloon.

Aside from this, her interior is in good shape, and she feels very dry. Headlining needs attention in areas, a common problem with Westerly's of her age.

Her engine is a replacement Beta 35hp, of 2006. Serviced in 2017 and running well.

Designed to sleep 7, with a separate aft cabin.

Viewing is highly recommended, she offers a lot of boat for your money. Contact Network Yacht Brokers Milford Haven on 01646 278270 to arrange a viewing with us.
