Sea Toilet  
Storage

## Remarks :

**Beneteau got it right with the Antares 710.** A boat which combines a good size rear deck with ample accommodation for weekend stays. Her living accommodation comprises of a Dinette (Converts to a double), Heads and Galley with Fridge and sink. Up the steps give you a double helm area, with a good range of electronics. Through the patio doors you have a large aft cockpit perfect for both fishing and socialising.

Her shaft driven Volvo Penta 150hp Diesel engine pushes her onto the plane with ease and returns respectable fuel consumption.

Her aft cockpit can be enclosed with a full all over cover with removable sides for those sunny days.

A perfect boat for family or fishing. Well worth viewing, she is currently afloat.
