Remarks :

'Paumar' is a classic Bruce Robert Mauritius 43 steel Bermudan Cutter. Heavily built, and well insulated she would make a fine long-term cruising boat, or even liveaboard.

She is being presented at an attractive price for a new owner who is not afraid of some general work to make her a wonderful cruising yacht.

Her new engine (2015) has only 43 hours showing, and her interior has undergone some advantageous upgrades.

An insurance survey was done in 2018, and a copy is available for a prospective buyer.
