Sea Toilet connected to holding tank

Remarks :

23ft Newbridge Virgo Voyager, designed by Roy Lunney as a small cruiser. Strongly built, bilge keel, inboard diesel and a very unusual Junk rig. Perfect for sailing tidal waters and spending a few nights onboard.

She has a good sized galley, sea toilet, double berth (forward) and two single berths (Side & Saloon). Headroom is pleasant at around 6ft in the saloon.

If you are looking for an immaculately presented cruiser, for either single handed or family sailing then 'Moreawelon' is well worth viewing.

She is currently lying afloat at Network Yacht Brokers Milford Haven, and viewing is available by contacting us on 01646 278270.
