Cutlery and Crockery Included

Remarks :

The Gibsea 282 is a proven family cruiser, and one of the only 28 foot yachts managing to offer two double cabins with a good sized saloon, galley and heads.

Accommodation is light and airy, she has been fully re-upholstered in the saloon and forward cabin, and new head linings throughout. Gibsea fit a huge amount of accommodation into a 28ft boat, with full 6ft+ standing headroom.

Her Fin keel design makes her fast and capable on the water. The inboard Yanmar diesel pushes her along with ease.

New Rigging & Keel Bolts in 2018 make her one of the most attractive examples on the market today. PX Considered.

Viewing is highly recommended to see how much space she really has. 2018 Survey Available on request.

Currently lying afloat at Network Yacht Brokers.
