Remarks :

The Seafarer 535 are a popular inboard fishing boat, perfect for pottering in the Estuary. Based on the Plymouth Pilot hull, they offer good sea-keeping for a small boat. The large rear deck has good space for a day fishing and the cabin provides good shelter and storage space.

Her inboard Yanmar engine is running well, and was serviced in 2018.

She is lay afloat, and can be viewed on appointment with Network Yacht Brokers Milford Haven Pembrokeshire - 01646 278270
