Remarks :

Jeanneau Sundream 28's are rare to the market as they are such excellent all round boats. Easy to sail on your own, but large enough to take a family of 4 with comfort. A long fin keel, with a good turn of speed for some fun when you aren't on a leisurely cruise. Crysalis does need some work to bring her to a tip top condition - but she has still received a good amount of recent maintenance. With the right owner she will make a fantastic boat

for couple or families alike. She is lay ashore for full inspection. Further details within the advert.

Viewing is highly recommended as we don't expect her to be available for too long! Lay: Ashore, Milford Haven, Pembrokeshire. Viewing strictly by appointment only.
