Accommodation

Accommodation

Aft Cockpit: A generously sized aft cockpit, with enough seating for 6-8 people. Huge locker space and access to a under deck lazarette via a water tight hatch. Teak gratings (in storage).

Bifold doors open to the wheelhouse: Generous comfortable seating, comprising of a bench and L shaped seating. Re covered in a waterproof material, dark blue. Matching helm and copilot seats. Storage, with drinks cupboard under co pilot seat.

Helm, with excellent visibility. Various instruments, navigation equipment and engine controls. Electrical switch panel below. Large navigation table adjacent to co pilot seat.

Steps down to main saloon: Huge dinette with an impressive galley opposite. Very high quality joinery shows itself throughout. Cooking facilities and plentiful storage. Heads to Port, with a Marine toilet, sink and shower. Lovely size, with Jack and Jill door to forward cabin.

Door access into forward cabin: Huge V berth layout, with high quality joinery and ample storage.

Being a commercial boat, she does need some cosmetic TLC to her woodwork, and linings.

Remarks :

The Dale Nelson is a well known marque, in both the Leisure and Commercial sectors. Dale know how to build a strong, reliable boat which will look after you in any event. "Le Grand Valseur" is proof of this, having not only been used as a cruising boat, but more recently coded and used as a Police launch on the Cleddau Estuary. She is currently coded, and ready to carry on serving in a commercial role, or retire back into pleasure cruising. Fitted out with high quality joinery, she continues to impress throughout. Whist she does need cosmetic TLC to her wood work and linings, she is still looking fabulous. She has 2 x Perkins Sabre M300Ti Engine installed, which will come fully serviced. She is representing incredible value for money compared to similar vessels. She is ashore for inspection, and will come with fresh antifoul and anodes. For viewings please contact Louis at the Network Yacht Brokers office in Milford Haven on 01646 278270.
