Accommodation

Good sized rear cockpit, with ample seating and storage compartments. Access into cuddy cabin and deep side decks.

Cuddy cabin comprises of a V berth, which will convert into a double. Basic cooking

facilities, and storage.

Remarks :

The Hunter Landau 20 is a very special, and unique boat. She fits into many categories, and can be used as a pleasure boat, speed boat or fishing boat. Her stable hull is known as a side wall trimaran, and slips through the water effortlessly. As a consequence, she delivers better fuel economy and sea keeping compared to rivals.

Her deep cockpit and side decks are family friendly, and good sized cuddy cabin gives ample storage and basic overnight accommodation.

Baby Bear has been upgraded with a custom designed Stainless Steel T Top, which gives excellent protection from the sun/rain, and added grab bars when navigating her decks.

In 2020, she was treated to a brand new Selva F70 XS-R Outboard Engine, of which Selva have opened up to 78hp (Factory upgrade).

2021 Saw her professionally Coppercoated, which gives excellent protection against marine growth.

It doesn't end there, she also comes with a twin axle road trailer. She is a very attractive package, extremely well maintained, and turn key ready for her new owner.

Viewing is available by pre booked appointment only, please contact us on 01646 278270 to make arrangements.
