### **Remarks :**

A truly comfortable sea going yacht, capable of both cruising and racing performance with control, quality and strength. That is how X Yachts advertise this boat, and I would totally agree. She boats lovely living accommodation for family cruising, but at the same time would win you races around the cans. She received a new mast in 2008, rod rigging, and comes with an excellent inventory of sails. Her Yanmar 18hp diesel engine is in lovely condition, as is her saildrive.

Lay afloat in Milford Haven, viewing is highly recommended. Call Network Yacht Brokers Milford Haven on 01646 278270 for a viewing by appointment.
