### Remarks:

A extremely well presented, and well spec'd family cruiser. Very well looked after, and a credit to her owners. The Yanmar diesel engine was replaced in 2001, and can be in seen in excellent running order. Her navigation equipment has been recently upgraded, and is over spec for the boat. Ideal for couples and families, and a very comfortable boat in a swell. Viewing by appointment with Network Yacht Brokers Milford Haven on 01646 278270

These are fantastic boats to start or upgrade your cruising grounds. Ideal for couples and families, and a very comfortable boat in a swell. Viewing Eonmor is highly recommended, she will not disappoint. A reluctant sale by her current owners. Viewing by appointment with Network Yacht Brokers Milford Haven, Lay afloat.
