Remarks :

1989 Beneteau Oceanis 320, with a Volvo Penta 2002 18 HP Diesel engine, Main, Genoa and Jib sheets.

This boat is very light and spacious with the wrap around windows allowing plenty of light into the main saloon area and having built-in blackout screens a large U shaped seating area with drop leaf table, allowing plenty of room for entertaining friends and family. Two spacious double cabins with plenty of storage room and a nice size head compartment.

She is ideal for coastal cruising having been sailed around the Solent area by her current owners and is an easy boat to handle either with a small crew or single-handed with all the lines leading to the cockpit.

She is currently out of the water being antifouled and new anodes fitted so will be ready to go.

Owners Comment:

Sundream is a lovely boat to sail and we have really enjoyed having her.

The light interior and the accommodation are the initial factors that drew us to this boat. The front cabin is exceptionally good size. There is a lot of storage on board including a very useful locker for ollies within the saloon .

The interior is also up to a really good standard too .

Available for viewing
