Remarks :

A nice example of a 2000 Sealine S41 powered by 2 x Volvo Penta KAD 300-A 285 HP Diesel engines. This boat has everything you could need for entertaining family and friends with a vast cockpit area having a powered sliding roof, ideal for those summer evenings whilst drinking cocktails and enjoying the built in gas BBQ, two cockpit tables cockpit fridge and wet bar.

At the helm you have an upgraded Simrad chart plotter, radar, bow thruster, electric windlass, and a simrad dsc/vhf/ais radio, speed, depth logs and autopilot.

Ideal for coastal cruising or a trip to the Channel Islands or France, whilst also at home anchoring up in a quite cove, watching the sun set.

Below she also has plenty of accommodation with a well equipped galley, plenty of seating and two private cabins, with large double berths, televisions and 2 x heads.

Last survey completed September 2015 and is available for viewing.
