Remarks :

2001 Beneteau Antares 760 Powered by a Volvo TAMD41P 200HP Diesel engine, recently serviced. This boat has been very well maintained and cared for by her current owner and is ideal for fishing trips or coastal cruising, with a nice comfortable layout inside and plenty of room for fishing from the cockpit area or just relaxing enjoying the sun. Complete with full cockpit canopy and window covers, she is well worth a viewing.

Owners Comments: I have owned this boat for 3 1/2 years and used her in the Harbour for fishing. I have traveled to the Isle of Wight down to Weymouth. and regularly used her for trips to Studland and Swanage. I have enjoyed owning and looking after her and have found her to be very reliable and stable in all weather. I am now looking to upgrade to a larger boat.
