## Manufacturers Description

### Manufacturer Provided Description

Perfect for long trips on the sea, the Medline is a true private oasis thanks to its surface, which can be transformed into a sunbathing area. Created for long day trips, the Medline range is part of the new generation of Zodiac boats: rigid-hulled inflatable openly oriented towards leisure. The arrangement allows to transform the deck into a vast sun lounger, to create a "private oasis" area.

The deck plans allow exceptional adjustability. The movements onboard are fluid, the sun loungers are spacious and easy set up for, and the rear area is safe and comfortable. Sun-bathing, lunch or swimming. The unique comfort of the seats, the various equipment, the low maintenance upkeep of the buoyancy tubes. Every detail is the result of the experience of Zodiac Nautic and its perfect knowledge of the sea.

Extended to 5 boats, the Medline range has been rethought with absolute priority: ease of use, at anchor or at sea. The dimensions and the weight of each boat has been optimized to obtain a perfect weight / power ratio in order to have moderate engine power and simplify the maneuvers for launching and storage.
