Remarks :

Design # 54 from Rob Humphries, this extremely fast one ton yacht of renown probably doesn't need any introduction.

Fun, fast and capable of great speeds of c 15 knots.

The ideal offshore racer with benefit of age allowance.

Potential as an offshore training school trainer.
Built by Stephen Etheridge who built many of the Humphries custom and special yachts.
GRP & carbon composite with modified Welbourne keel.
Triple spreader mast with runners and rod rigging.
Tiller steering with two berths and six cots below.
Replacement Yanmar 3GM diesel with two blade folding prop and replacement shaft.
Here is a yacht of provenance with plenty of punch TCC 1.013 and ready to perform.
Check out the results on the ISORA archive on the web.
Lying afloat at Crosshaven Cork.
