This yacht shows little wear for its age and has been very well maintained.

## Remarks :

The Elan 333 was designed with performance, quality, safety and comfort in the brief. Easily handled with minimum crew this Elan 333 has been very well cared for in the current ownership for some sixteen years. Light Summer cruising and wintered ashore it will be hard to find a vessel of this quality and condition. Lead fin keel, wheel steering, aft cabin, large saloon, larger engine and full suit of Raymarine, this was a former demonstration yacht and kitted out with all the extras. Registered on the SSR. Viewing will not disappoint.
