Remarks :

Sigma 33 OOD Hull # 319
Built by Marine Projects in Plymouth, the Sigma 33 has proved to be a popular club, regatta and offshore boat well capable of making distance passages to regattas and events.
The Sigma 33 also has participated in offshore and overnight racing and has proved to be a safe family cruising boat with the option of class racing both in the UK and Ireland.
Stored ashore every winter this boat is well equipped.
Opportunity to race in the British & Irish Championships in Dublin Bay 2018.
