Remarks :

'Baachus' is a very nice example of this well known family cruising yacht with impressive performance and good handling characteristics. Originally a Sunsail lead boat, Baachus was purchased by one of the current owners in 1998 and is now owned jointly by three friends. Baachus had new standing rigging fitted approximately 4 years ago, and new batteries this year. She is report to be maintained to a high standard. She is currently ashore and under cover for protection.

Brokers note: The vessel is believed to be vat exempt, but paperwork is missing
