## Remarks :

Heard 28 classic design sailing yacht for sale. Built in 2009 for the current owner, 'Agapanthus' is the last Heard to have been built by Martin Heard. She has had very little use due to owner's disability and is reluctantly for sale. This sea kindly 'go anywhere' vessel is based upon traditional Falmouth oyster dredgers and inshore fishing boats of Cornwall. She is extremely solid and this model is known to be surprisingly fast. She comes fully equipped and has a Yanmar 40hp diesel engine with shaft drive. She is now ashore on our sales hardstanding at Titchmarsh Marina, Essex.
