Accommodation

The Orkney Orkadian 20 is a 'proper' semi displacement offshore cruising boat, blending first class seakeeping with comfortable and practical accommodation. Designed by the Nelson launch originators, TT Boat Designs, the Orkadian 20 has a smart interior, with separate toilet and a galley, making it ideal for coastal cruising. Big and beamy enough to ensure serious offshore ability, this cruiser can still be trailed to more distant cruising grounds.

Remarks :

Orkney Orkadian motor boat for sale. Chrisea is a quality built British motor cruiser ideal for coastal cruising. She presents in extremely good condition and benefits from a recent hull polish, anti foul and engine service. The road trailer is also included in the sale. Chrisea would make an ideal weekend boat, also ideal for fishing. Viewing is highly recommended.
