Interior in Alpi Roble Blanco

The yacht can accommodate up to 12 people

Safety equipment for Zone 1

Inmarsat Communication System

Iridium Antenna

Remarks :

Beneteau Oceanis 40.1 Yacht, first commissioned June 26, 2020, and prepared for global navigation, is reluctantly for sale by the first owner. Due to a change in circumstances by the original owner, this high specification yacht is being sold, having only made one passage from the South of France's commissioning yard to Barcelona. It was intended that the yacht would continue to the pacific ocean, but personal circumstances cut short this major voyage.

Currently lying in Barcelona, she is fully equipped and in a condition best described as new. Due to arrive in Port Ginersa as soon as Covid restrictions are lifted, we recommend viewing this beautiful yacht.
