Remarks :

Based in Spain, our Hanse 411 Yacht is ready to sail away. Berthed in the Balearics viewings are by appointment through Network Yacht Brokers. The Hanse 411 Yacht will undergo a Spanish safety compliance inspection every two years. The inspection comprises an independent survey to lift out the water with all mandatory equipment tested. A 55hp Volvo Penta Diesel engine powers the yacht. She cruises under the motor at more than six knots. She is the three-cabin version of this popular model. Also, to accommodate the additional crew in the main saloon, she can sleep up to eight people.

The asking price includes an inflatable dingy. The boat has been used for charter. This yacht has just finished her charter season and just has some updates and repairs. Every year the boat has been painted with antifouling and repaired if needed. The boat is lying in Ibiza and

our colleague in Ibiza is describing the boat as being in very good condition. New outboard engine. They replaced the sails in 2020. Bimini is new from 2021 (now is grey in color). The boat had two owners from new.

Hanse Yachts are manufactured in Germany. The Hanse brand is internationally known for building strong functional yachts with a classic layout. To view more Hanse Yachts please go to our Manufacturer pages where we keep a sold boat archive. This archive is a useful source of research.

The berth is available in Ibiza with good terms. Spanish Flag, Area 2 List 6
