GALLEY Electric Oven New 2014 refit Dish Washer Manufacturer Hobart Model MCH-11-4 Serial No 86803-TL 9107 Refrigerator Foster Ice Maker Scotsman

The whole galley is made completely from stainless steel, including walls and work areas. Including a cool room for storage.

UPGRADING OF THE VESSEL The vessel to re-obtain her Classification with R.I.N.A. and her Registration under Spanish Flag as a Class D (EU Passenger Vessel Directive 2010/36) passenger vessel authorized for a capacity of 368 passengers (see "Despacho Temporal"/"Temporary Dispatch Note" in Annex I), accomplished a 2014 refit (March 2014-August 2014). Also, as part of the modifications to apply to the vessel for the intended use, she is to have as part of her next 2014-2015 refit • Exterior hull topsides & exterior

superstructure repainted (warranty from 2014 refit), • New forecastle installed to upgrade for freeboard to allow classification as C or B passenger vessel. • To install automatic sprinkler fire suppression system as requested by EU Passenger Directive 2010/36 for Class C or B. • Upgrade of Schottel Propulsion system controls CONCLUSION The vessel is in Class with RINA. The vessel is registered with Spanish Flag & presently classed as passenger ship class D (EU Directive). The vessel underwent a considerable refit in 2014, including favourable hull thickness measurements, new generators, complete main engines overhaul. The vessel must install a forecastle & sprinkler system.

Remarks :

The Owners Promotional Advert Says;

"The Catamaran Restaurant is dressed to offer diners the Mediterranean and unique cultural, gastronomic experience at sea. We have an entertainment pack that includes everything from a cosy restaurant room, playful spaces for children, 45m2 of giant windows with incredible underwater views in 4 underwater lounges, a solarium and Balinese chill-out beds, ensuring exclusive comfort to discover the marine world. Enjoy dinner with the stars." The boat can carry 350 passengers and their luggage.

Spanish Classification Rina y Capitania, all sound measurements were done.

Network Yacht Brokers Offers;

An exceptional Catamaran VIP Restaurant and Club Boat is now seriously for sale through Network Yacht Brokers. Therefore, we are delighted to present to buy or lease this extraordinary business opportunity through special arrangements. The owner says she is affectionately known as the best nightclub in Ibiza, and they say, "She has one of the best entertainment sound systems in the world".

The technical specification of this boat is impressive, enhanced thanks to a major refit in 2014. Details are in the sales specification prepared by Network Yacht Brokers. Please note

comments and notes have been extracted and translated from the documentation provided by the legal representatives of the owner. The price quoted in the document is open to negotiation. A full inspection of the vessel is welcome. Under Spanish maritime law, she is sold with no hidden defects.

Shipyard: Cantieri Navali Vittoria www.vittoria.biz

Designer De Jorio (www.studiodejorio.it)

As of today, it is available for rent or for purchase; they are currently updating the documentation and reforming some aspects of the boat. **The seller offers the possibility to do leasing.**
