Washing machine
Dishwasher
Seawater purifier
TV
Clock
Radio

Remarks :

Lagoon 500 Catamaran Yacht is available from Network Yacht Brokers. She has had two owners from new. This Lagoon has only been used for charter during the last year and a half. Before being charter coded, the boat has been used privately. Lagoon 500 Catamaran combines a great aesthetics look with legendary performance offering a level of comfort only found in much larger boats.

This Catamaran is fully equipped for ocean cruising. Maneuverability is effortless; from the Flybridge, there is good visibility, and the two 80 hp Yanmar engines provide good power. The engines were replaced in 2017 and have done at the time of recording 1500 hours. The sails have recently been renewed, as well as the lazy bag and the bow net. The owner says this

boat is in excellent condition and ready to be used. Used only for local charter in the Canary Islands, she is kept in excellent order. Viewings are available through Network Yacht Brokers.
