Remarks :

A lovely Family cruising motor yacht excellent accommodation if you are looking for a place in the sun. Great for weekends out in the bay or exploring the coast. Made by Doqueve a respected Spanish boat builder, the yacht has been in Spain since purchase new. All the papers are correct with VAT documents as required. The current owner bought the yacht in December 2019 went out sailing only one time since then. She has been used as an apartment in the Mediterraína for the rest of the time. The engine was last serviced in October 2019. Antifouling and check of the hull in May 2021. The owner is selling because he wants to buy a bigger boat. Available for viewings in Port Ginesta.

In May 2021 Inspection of : Hull, shaft, propeller and rudder blades. Shaft, propellers and rudder blades are in good condition. There is not slack, in the shaft and no damage were found on propeller or rudder. Flaps blades are correct. And flaps system working. All anodes were replaced with a new ones. Bilges on cabin were found with no water and dry. All sea cocks of boat were checked and there's no leaks at all. Inspection of : Engines and electrical system. Both engine run correctly.

Marine Generator is a ONAN GENSET With Yanmar Engine. Generator starts and works properly. It starts in direct or remote mode and give electrical power properly. Maintenance of engine generator is needed.

It has Spanish tax paid in the past.
