Remarks :

PASSENGER AND TOURISM SAILING CATAMARAN with capacity for 56 passengers based in Panama and with a very correct and attractive price. These sailing catamarans for events are in great demand in Spain, but unfortunately, there are currently none for sale so it can be a good claim to locate potential investors who want to make it work in Spain, It was built in France and transported to Panama It must be perfectly transportable from Panama to Spain. (estimated cost of transport USD 20.000crew, gasoline, food, plane tickets for the departure or return of the crew depending) **The price is negotiable and open to offers.**
