2 Burners
Oven
1 Sink
1 Hand Basin
1 External Shower
2 water tank (total 180 L)
Pressurised Water System
Sea Water

Remarks :

The interior of the Attalia has three full-size cabins, with each cabin having lots of storage space underneath the double berths. A conventional chart table sits opposite an L-shaped galley, with a vast saloon offering all-around visibility. This Attalia has a toilet compartment with full headroom. Great design enables the accommodation to fit perfectly under the attractive coachroof. Great light floods into the saloon from the Well-lit by the sizeable frontal porthole. Joubert and Nivelt designed the Attalia, and she has an imaginative deck layout on a performance hull. The design of the Attalia offers both speed and stiffness of sailing.
The last time out of the water was three years ago.
