The boat has been sailing last time last year and was rarely used by the owners. The engine are serviced every year and run every couple of months. Two years ago the boat has been lifted out of the water and antifouled. After a hundred years of experience, the Astondoa brand is known for manufacturing custom boats and offering quality to meet the needs of each client. Its wide range goes from nautical sports to luxury cruises. Over the years, it has been committed to offering the latest technology and innovation. **Viewings are available throughout Network Yacht Brokers.**
