Interior wood type: Teak

REMARK: The fridge needs some attention

**Remarks :**

Purchased from new, this Hunter Legend 38 Yacht has had very little use. She has only been used at weekends. The Hunter Legend is a well design yacht resulting in a safe well found Yacht. Hunter Yachts claim to put dedication to customer values first when they build their Yachts, and that is precisely what the hunter team managed to achieve with the 38 Legend. She is capable of cruising around a marina or far more serious cruising. This is a perfect yacht for anyone who wants to take to the water and simply sail.

The in-mast furling mainsail combined with a furling genoa will give a skipper many sail options as weather conditions vary. Below deck, she has an efficient floor plan. The interior features beautiful woodwork and a cherry cabin sole, incredible storage capacity and well thought out living space. Viewing through our office is recommended. She is in excellent condition, and she has been used just to go out sailing on the weekends. The owner bought this boat new.
