## Broker Remarks

This Hanse 350, commissioned in 2008, is lying in Croatia. Her private owner bought her from new and has been carefully taking care of her. Indeed, she is in excellent condition and has never been chartered.

The saloon has a convertible sofa creating two further berths and a small chart table. She has two double cabins - forward and aft. The marine head is on the side. She can comfortably accommodate 6 people and has seating for 8.

Low engine hours (only 500) and a new engine makes this particular boat a great opportunity. It is available now and no other offers are available.
