A beautifully equipped and very well maintained example of a Westerly Conway Yacht. The owner has kept her in excellent condition including a complete refit of the teak deck in 2009. The boat is in surprisingly great condition - she looks much younger than her years! This yacht has had 3 owners from new and the current owner bought her in 2000.

*Tejida* is ideal for both offshore cruising and extended ocean passages. The yacht is well designed for comfortable living aboard.

The yacht is available for viewings at any with an appointment currently lying in Barcelona, Spain.
