Remarks :

One owner from new this beautiful Bavaria 40 Yacht was purchased in the UK and sailed to the Mediterranean. She has been a base in Barcelona for the owner living in Canada. Kept beautifully by the owner it's now time she went cruising again as the original owner is retiring from sailing. There are few models of this year on the market in such good condition. Apart from some very minor cosmetic work, she is ready to sail. The berth is available and is in one of the most attractive places in our marina, just a short walk from a quiet beach.

Maintainance History

The yacht has just been antifouled in 2020 and she has been antifouled each 18 months

The engine has been properly serviced every year
