Embarcación Quicksilver 640 Weekend - Solo un propietario que la compró nueva en 2009, se utilizo muy poco durante los finde semana con la familia, ahora es tiempo para él de pasar a una embarcación más grande.
Carga Maxima 694 Kgs - Capacidad Max. 6 P. Es una perfecta embarcación de crucero familiar y de recreo con buenas dotes de navegación. Tanto el interior como el exterior ofrecen una interesante sensación de capacidad volumetrica, a traves de espacios abiertos y correctamente distribuidos. Podemos notar una grande y confortable bañera reparada por un completo tolto para el sol. El barco es una excelente oportunidad para quien quiera iniciarse en la nautica de recreo y la pesca deportiva.
