water heater
manual pressure water
system
s/s sink
s/s drain pan
teak drawers and cabinets
2010 WAECO fridge with
buffer
seawater pump 2015

Remarks :

This is a nice example of Grand Soleil 46, designed by Alain Jezequel and constructed in the well known Italian yard of Cantiere del Pardo. It is a lovely sailing yacht kept in fair condition by her owner. She has received numerous updates since she has been built. The yacht has had three owners since new, 2 Italians, the second owner had the yacht for many years and has been in Greece/Turkey only using the yacht 6-8 weeks per year. The current owner bought her in 2007. We strongly recommend a viewing.

Mooring is available to keep the yacht in Barcelona.
