Dufour 365 Grand Large for sale

This Dufour 365 Grand Large (2 double cabins and 1 head) comes with Volvo engine replaced in 2016 with only 800 hrs, Raymarine Equipment, standing rigging replace two years ago (2018), new sails in 2018, the hull have been antifouled in summer 2020. The

boat is really in good condition and lying in Valencia.
All standing rigging was replaced with new rigging in 2018. 2 Blade Volvo Penta propeller on a Volvo Penta sd130 sail drive. Raymarine instruments are all in working order except the wind gauge, and I have a replacement head unit for installation. Raymarine electronic drive autopilot has successfully helmed us from the UK to Valencia. Very reliable.

Comments from the owner: I'm the second owner, the original owner didn't use the boat very much for the first five years of its life and the engine failed catastrophically after I bought it. I had a new engine installed in 2016. The first owner was British and the boat had never been out of the UK before I bought it.
