Accommodation

On the aft deck, the immense sofa/chill-out stand out in the form of a half-moon, the Iroco table foldable with a capacity for more than 12 people, the bar is designed to give the best and most immediate attention to our guests.

On the main deck, the protagonists are the solarium with comfortable mats, the sofa

Prote Lookout and Balcony, where you can feel it flies over the sea.
Interiors / Lounge - Large living room with 2 sofas, convertible one of them in a double bed.

With accommodation for 10 guests, in the spacious and impeccable interior of classic design with noble woods and Italian bronze details, it has a "master" cabin in the bow, 2 side-suite-VIP cabinets, and 1 DOBLE in the stern. Each cabin has its shower and private bathroom.

It is prepared with the best Comfort Accessories and Systems, such as TV, DVD, Plug and Play music players with outdoor speakers or air conditioning.

Remarks :

She is available in September 2022. Price is not negociable.
Aegean Yachts is a Turkish Gulet made by a well-known Turkish boat manufacturer. The hull is constructed in steel, a sheet of seven millimetres thick with frames in a wooden setting. This construction process makes it exceptionally robust. Built-in 2003, the yacht was renovated in 2013 and 2018. She can accommodate ten people + 2 crew. Its characteristic design and steel hull increase normal stability, and its large spaces above and below the deck allow maximum comfort for Chill-Out, relaxation, or any activity. She has 5 sails reaching maximum speeds of 10 knots and averages between 7 and 8. Please contact us to arrange a viewing of this yacht.

The thickness of the hull was tested in March 2018, and it was in very good condition, I can send a report. The notebooks are made of steel too. It is a steel boat built with wooden structural plans/design which makes it oversized in terms of structural reinforcement, that is, much stronger and safer than any other boat of its kind.
