dishwasher

## Remarks :

Catamaran Bali 4.6 in superb condition year 2021. Only one owner from new with a great specification and full equipment. The Catamaran was built in April 2021 and delivered in June 2021.

The BALI Catamarans are the result of the CATANA shipyard in France, a legendary brand renowned for its **high-performance** and **top-of-the-range catamarans**. Thanks to its multi-hull configuration, the catamaran grants much more stability and a greater common area than a sailing boat.

Registered under the Polish flag, the VAT of this boat is not paid. She comes with Highfield Tender with 30 hp and a Honda Outboard engine. She was on charter only for 7 weeks in Ibiza last year always with a skipper; her condition is incredible.

The last time out of the water is May 2022. Please contact us for viewings.
